Agricultural Return 2024

In accordance with the Agricultural Returns Laws (as listed in Section H of this form), you are required to complete an annual agricultural return in respect of any agricultural land occupied by you or under your management.

Guidance notes re completion of Agricultural Return

1. The Agricultural Return (the 'Return') should be completed by anyone who occupies and/or uses more than one vergee of agricultural land - including owner occupiers, tenants and private individuals.
2. Agricultural Land includes any land used as grazing, meadow or pasture land, or orchard, and any land used wholly or mainly for the purpose of the trade or business of a market-gardener or nurseryman.
3. You are deemed to be the occupier of Agricultural Land if you use any fields or parts of fields for any of the activities described above in the definition of Agricultural Land.
4. The Return should include the area of all crops and primary land use for 2024 with reference to each field used, as well as the livestock kept on the land as at 1st October 2024.
5. The number of vergées of each crop should be stated as accurately as possible (except in the case of protected crops, where the area should be stated to the nearest square metre).- the official Digimap system as used by GoJ will be used to verify land areas.
6. Any reference to Horse Livery refers to any horses kept for the owner and fed and groomed for a fixed charge.
7. Any reference to Horses on the form includes all horses grazing or occupying the land you have declared on the Return, including any private arrangements that you have with individual horse owners unless they complete a Return in their own right.
- 8. If you occupy any land with the potential to be used for agricultural purposes you are required by law to submit a return.**
9. Rural Support Scheme payments for 2025 will not be processed until the Agricultural Return has been submitted to Rural Economy.

Please remit the signed return to Rural Economy, via email to ruraleconomy@gov.je
